

# California State Bar Business Law Section

---

## Corporate Law Departments Committee

# Our Mission Statement

---

The mission of the Corporate Law Departments Committee of the Business Law Section is to provide a professional forum for the in-house practitioner to identify and address issues uniquely related to the practice of law in the corporate setting.

# CLDC

---

The Committee fulfills its mission by:

- Informing its constituency of changes in laws and regulations as well as court decisions that have unique impact on in-house practitioners.

# CLDC

---

- Monitoring, discussing and commenting on legislation and regulations affecting in-house practitioners.
- Providing professional education opportunities to members and other practitioners on legal issues related to the in-house practice of law.

# CLDC

---

- Facilitating a communication network among its constituency to
  - (i) provide a forum for the discussion of issues unique to the in-house practice of law among attorneys of all size departments
  - (ii) enable in-house attorneys to obtain advice and support, and
  - (iii) exchange information on career opportunities.

# CLDC Benefits

---

1. Monthly Meetings
2. MCLE Credits
3. Participate at Bar Meetings
4. Author Articles for “BLN”
5. Meet Interesting Peers

# CLDC Commitments

---
